## CAREER GUIDANCE CELL

The career guidance cell provides relevant academic and career information to enable Students to make informed decisions along the way. Our focus is to provide learning/training opportunities in the areas of academic, career and personal/ social development and to prepare students to meet their future challenges.

### GUIDELINES

1. The Principal shall ensure that there will be a platform in the college to address the problems of the students for providing guidance about the career perspectives
2. This cell will be named as Career guidance cell with 4 committee members ensuring proper guidance for the students.
3. The committee meeting will be held twice a year and in case of any relevant issues can call up on meeting otherwise.
4. Minutes of the committee meetings will be recorded in a register.

### DUTIES OF CAREER GUIDANCE CELL

1. To create awareness about various job opportunities in the field of dentistry.
2. To provide information and guidelines about PSC exams and other opportunities in government sector.
3. To give an input about the present scenario in the field of dentistry.
4. Merits and demerits of starting an own private dental clinic or any other individual entrepreneurship.
5. Other career options after completing the course including career options available abroad.
