Dear Student

The proposal result of ICMR STS-2020 is already available on STS website in the Results Section. Your proposal has been duly approved by ICMR to carry out the proposed STS 2020 research work.

In wake of the current COVID-19 health emergency majority of Medical/Dental Colleges/Hospitals/Institutes are closed, therefore the Report submission for STS 2020 will be further decided only once the Govt. of India and various State Govt. decide to re-open all the Medical/Dental Colleges/Institutions.

So you may wait until the decision is declared by Govt. of India and various State Govt. and then proceed to carry out the proposed research work for STS 2020, and accordingly ICMR will then upload the revised schedule for STS 2020 Report submission guidelines and timelines.
