

ARTS CLUB

vision

The purpose of Art's club is to provide students who have an interest in art, an opportunity to explore art and craft forms beyond what is offered in the curriculum. Here we try to cultivate an artistic environment in the college and to develop an appreciation of the fine arts in student community. We aim to bring out the creative, expressive and aesthetic qualities of students and to provide ample opportunities to develop their talents in different forms of arts like music, singing, dance drama etc.
