

Step
to
future

About

Founded in 2001, the Indira Gandhi Memorial Trust, embarked on its maiden venture in the field of education through its premier institution- Indira Gandhi College of Arts and Science. Over the years, the Trust has expanded its domain by including other initiatives, the Dental College, Engineering College, Paramedical College, Pharmacy College and Polytechnic Colleges - all catering to varied career interests.

The Indira Gandhi Group of Institutions has been successful in kindling and encouraging curiosity and academic engagement, as well as inculcating a zeal for higher education. The structured and methodical programmes offered by these institutions focus on hands-on training, industrial relevance and social significance, aided by teachers and instructors with unparalleled experience in their respective fields.

Our Mission

To create intellectuals with universal values, capable of embracing all cultures, religions and individual differences, to bring about a positive potential and peaceful influence, to society through affordable globalized education. To create advanced world class ambience of academic excellence in which new ideas, research and scholarship flourish and from which the leaders and innovators of tomorrow emerge.

Our Vision

To be the fountainhead of new ideas in education, research and innovation.

“The Indira Gandhi Group of Institutions has been successful in kindling and encouraging curiosity and academic engagement, as well as inculcating a zeal for higher education.”

Today, Indira Gandhi Memorial Trust is chaired by renowned social and political leader, Haji K. M. Pareeth. He is the brain behind the formation of this trust. It was under his initiative that the trust gained excellence.

“It is our allegiance to provide the students an opportunity to stand out on an equal footing with others in the national and international level.”

From the Chairman's Desk

In the globally competitive environment of higher education, IGGIS has a very unique approach. Our objective is to turn the challenges of changing world into wisdom of opportunity for the future. In the wake of today's society, it is our allegiance to provide the students an opportunity to stand out on an equal footing with others in the national and international level. IGGIS will spare no effort for excellence and will set high standards in all sectors of education.

Haji. K. M. Pareeth
Chairman

Dr. K. P. Siyad
CEO

Mr. K. P. Shibu
Director

Dr. K. P. Shiyas
General Secretary

About the Management

An all-round development will be provided by Indira Gandhi Group of Institutions to a student admitted in any of the colleges governed by the Indira Gandhi Memorial Trust. The group of colleges can bring out the best future for a student. Since 2001, the Group of Institutions has achieved many milestones and has improved ourselves and brought light to the lives of our

students. The best teachers and mentors available in our Group of Institutions have always been a guiding light to our students. We have made a mark in the society as one of the most prestigious and most sought out institutions in Kerala. Together, we all can achieve and make our dreams into reality. The college offers many courses and the students can choose the most suitable course which is best for

them. Equipped with the top notch modern facilities, the college provides every basic amenity that is needed for a student to bring out their potential. The Indira Gandhi Group of Institutions, a centre of excellence and education will continue to thrive and help in moulding students achieve their dreams.

Founder, Chairman, Haji. K.M. Pareeth along with Dr. K.P. Shiyas (General

Secretary), Dr. K.P. Siyad (C.E.O.), Ms. P.U. Shereena (Treasurer), Mr. K. P. Shibu (Director) with Mr. K. P. Shaji, Mr. K. P. Siraj, Ms. A. Shuhaina, Ms. K. Suhana, Dr. Nadah Najeel Rawther, act as the trustees and take care of the activities of Indira Gandhi Memorial Trust and guides in moulding a great educational society.

From the Principals' Desk

“Management and faculties always focus on moulding each student as an efficient, socially committed and skilled dentist to achieve our vision of making Kerala a global destination in specialized Oral & Dental healthcare”.

Dr Sanu Tom Abraham
Principal, Indira Gandhi
Institute of Dental Sciences.

“Education is a prerequisite to progress and development of a society. Suitable education at the graduate and postgraduate levels can be a person's passport to cushy jobs and economic advancement in life. Giving proper training to the youths, college would equip them with deep subject knowledge and soft skills, helping them to attain better careers”.

Dr. C. V. Thomas, Ph.D
Principal, Indira Gandhi
College of Arts & Science.

“A desire can change nothing, a decision can change something, but a determination can change everything. At Indira Gandhi Institute of Polytechnic and Engineering, students are being trained to a broad academic process that goes beyond the class rooms. Our students are moulded into future ready world class engineering professionals through the combination of academics, co-curricular and extracurricular activities”.

Dr. S. Sentilkumar, Ph.D
Principal, Indira Gandhi
Institute of Polytechnic and
Engineering.

The true aim of Education is geared toward the all-around development of the learners. We focus on discovering, developing, and drawing out the hidden talents lying dormant in each student. To achieve this we have excellent, versatile, experienced, and dedicated faculty with us. I firmly believe that KMP College of Arts and Science nourishes its pupils to thrive by equipping them with everything they require to achieve excellence. We are intending to begin more UG and PG courses in Arts and Science. We ensure our student's excellence in academics and their attainments in cocurricular activities to fetch their best 'step to the future' ahead and to groom them as well-disciplined responsible citizens of our incredible nation.

Dr Viji Ramakrishnan
Principal, KMP College of Arts and Science

"To educate the student's fraternity by the application of science to the optimum conversion of natural resources to the use of humankind and to conquer tomorrow's technology at the global level of the human values through our dedicated team".

Mr. Revikumar, M.S., B.Tech
Principal, Indira Gandhi Polytechnic College.

"The college comprises of eminent academicians, who focuses on creating a new employable generation, with universal values, capable of influencing the society and strengthening the nation in a positive way".

Dr. J. Nandhakumar,
M.Pharm, Ph.D
Principal, KMP College of Pharmacy.

"Healthcare, being among the most emerging careers of the century offers a wide range of opportunities. IGPMC is a blend of technology and health science and it proposes to produce world-class professionals. Multi-disciplinary nature of the healthcare system imparts team work of various medical, paramedical and non-medical professionals. The college started with Diploma in Health Inspector course (DHI) in 2007, approved by Kerala Paramedical council. The course program is designed to train professionals to work in the preventive phase of primary healthcare workforce".

Mrs. Bini Paul, M.Sc, B.Ed
Academic Director
Indira Gandhi College of Paramedical Science.

6. General Pathology
7. General Medicine
8. General Surgery
9. Anaesthesia

Course Duration

5 Years and 6 months (Including
1 Year Compulsory Rotating
Residential Internship)

“Research proposals by our students are regularly approved by ICMR”

Salient Features

India's first Telemedicine Unit for Oral Cancer Screening.

Students get trained under the most modern Computed Tomography, using CBCT 3D PRO.

Palliative Care Training.

Basic life support training program is given for all interns.

Research proposals by our students are regularly approved by ICMR under the Short-Term Studentship (STS) program.

Students are encouraged to publish articles in international and national scientific journals.

Well-equipped and full-fledged library.

Excellent students supportive faculty.

Well furnished hostel facility.

First fully solar powered Dental College.

Eligibility

A Student should have completed higher secondary with Biology, Chemistry and Physics as the core subjects and should have cleared the National Eligibility cum Entrance Test (NEET) conducted by National Testing Agency with sufficient cut off marks.

Prospects

BDS is one of the most sought out course in the Medical Field. Opportunities in industries, manufacturing oral care products, research departments under Central and State Governments are some of the prospects under BDS.

India's first Telemedicine Unit for Oral Cancer Screening

INDIRA GANDHI COLLEGE OF ARTS AND SCIENCE

Established in 2002, the first venture of Indira Gandhi Memorial Trust, Indira Gandhi College of Arts and Science, situated at Nellikuzhi, about 3 km away from Kothamangalam is a first grade institution of higher education, providing job oriented coaching to students.

Affiliation

Affiliated to Mahatma Gandhi University, Kottayam.
Approved by Government of Kerala

Courses Offered

Under Graduate Courses

1. B.Com Computer Application
2. B.Com Finance & Taxation
3. BBA
4. BCA
5. B.Sc Microbiology
6. B.Sc Biotechnology
7. B.Sc Computer Science
8. B.Sc Chemistry
9. B.Sc Mathematics
10. B.Sc Physics
11. B.Sc Electronics
12. B.Sc Psychology
13. B.A. English
14. B.A. Economics
15. B.Sc Food Technology & Quality Assurance
16. B.Sc Cyber Forensics

Post Graduate Courses

1. M.Com Finance & Taxation
2. M.Sc Microbiology
3. M.Sc Biotechnology
4. M.Sc Computer Science
5. M.Sc Chemistry
6. M.Sc Mathematics
7. M.Sc Physics
8. M.Sc Zoology
9. M.A. English

Course Duration

Graduate Program - **3 Years**

Post Graduate Program - **2 Years**

Add-On Programs

The Add-On programs along with conventional degree courses, aim to provide additional learner centric, graded skill oriented technical training with the primary objective of improving the employability skills of students, self employment and empowerment.

BCA + Artificial Intelligence & Machine Learning

BCA + Cloud Computing & Cyber Security

BSc. Computer Science + Artificial Intelligence & Machine Learning

BSc. Computer Science + Cloud Computing & Cyber Security

BSc. Computer Science + Data Science & Business Intelligence

BBA + Logistics & Supply Chain Management

B.Com Computer + Aviation & Hospitality Management

B.Com Computer + Aviation & Hospitality Management + IATA

B.Sc Chemistry + Instrumental Chemical Analysis

Eligibility

A student who opts for Bachelor of Arts/ Science should have studied the respective subject in their higher secondary classes and should have passed the higher secondary examination with minimum pass mark. For BCA the minimum qualification is a pass in Plus Two examination in the science stream with Mathematics/ Computer Science/ Informatics Practice as optional. For BSc. Computer Science and Electronics a pass in Plus Two examination in the science stream with Physics, Chemistry and Mathematics or Computer Science. For BSc. Cyber Forensics minimum qualification is Plus Two examination with aggregate of 55% for any three of the subjects Physics, Chemistry, Mathematics and Computer Science and 50% marks for Mathematics alone. For B.Com minimum qualification is a pass in Plus Two examination in Commerce stream or pass in Plus Two recognized by this University with other subjects under part III optional subjects, provided they have secured 45% of the aggregate mark. Students UG score must be 50% for their respective PG admissions. For English and Commerce the minimum percentage is 45%.

Prospects

After successfully completing Under Graduation and Post Graduation, the scope of job opportunities are very vast. One could get Government Jobs, take up job as a College Lecturer and even take up Civil Service examinations.

INDIRA GANDHI INSTITUTE OF POLYTECHNIC AND ENGINEERING

Indira Gandhi Institute of Polytechnic and Engineering, established in 2009 is an emerging premier institute with international standards, which promotes excellent education in the field of Engineering and Technology. Indira Gandhi Institute of Polytechnic and Engineering focuses on developing academic and co-curricular activities of the students.

Affiliations

Approved by AICTE (All India Council for Technical Education).

Affiliated to A. P. J. Abdul Kalam Technological University.

Affiliated to State Board of Technical Education, Govt. of Kerala.

Courses Offered

M.Tech

1. Structural Engineering & Construction Management
2. Computer Science & Engineering
3. Communication Engineering

B.Tech

1. Computer Science & Engineering
2. Civil Engineering
3. Electronics & Communication Engineering
4. Electrical & Electronics Engineering

Diploma

1. Civil Engineering
2. Mechanical Engineering
3. Electrical & Electronics Engineering
4. Automobile Engineering
5. Tool & Die Engineering

Course Duration

4 Year for Graduate Level
2 Year for Post Graduate Level
3 Year for Diploma

“Excellent job opportunities await the students who complete the course.”

Eligibility (B.Tech/M.Tech)

Students who have completed Higher Secondary in Science Stream with subjects- Physics, Chemistry and Mathematics can appear for the entrance exam conducted by the Government of Kerala and get allotted to their respective interests of study.

Alternatively, those who have passed the higher secondary examinations in Science Stream with minimum percentage of marks as stipulated by Government of Kerala can join the Management Quota. Also, for those who have not written the entrance examination can also join through NRI quota admission.

Those who have passed the Under Graduate course with minimum percentage of marks stipulated by the Kerala Technological University can join for the M.Tech courses. Also, lateral entry admissions to second year B.Tech can be utilized for those who have passed the Diploma in Engineering.

Eligibility (Diploma)

Students who have passed SSLC can apply for their course of interest. A Student who have passed Higher secondary with Physics, Chemistry and Mathematics can get admission directly to the second year through lateral entry.

Salient Features

IIRS - ISRO Outreach Program Nodal Centre

Research and Development Cell

Industry Institution Interaction Cell

Training & Placement Cell

Well established Entrepreneurship Development Cell

Well equipped Digital Library

Well equipped Workshops & Laboratories

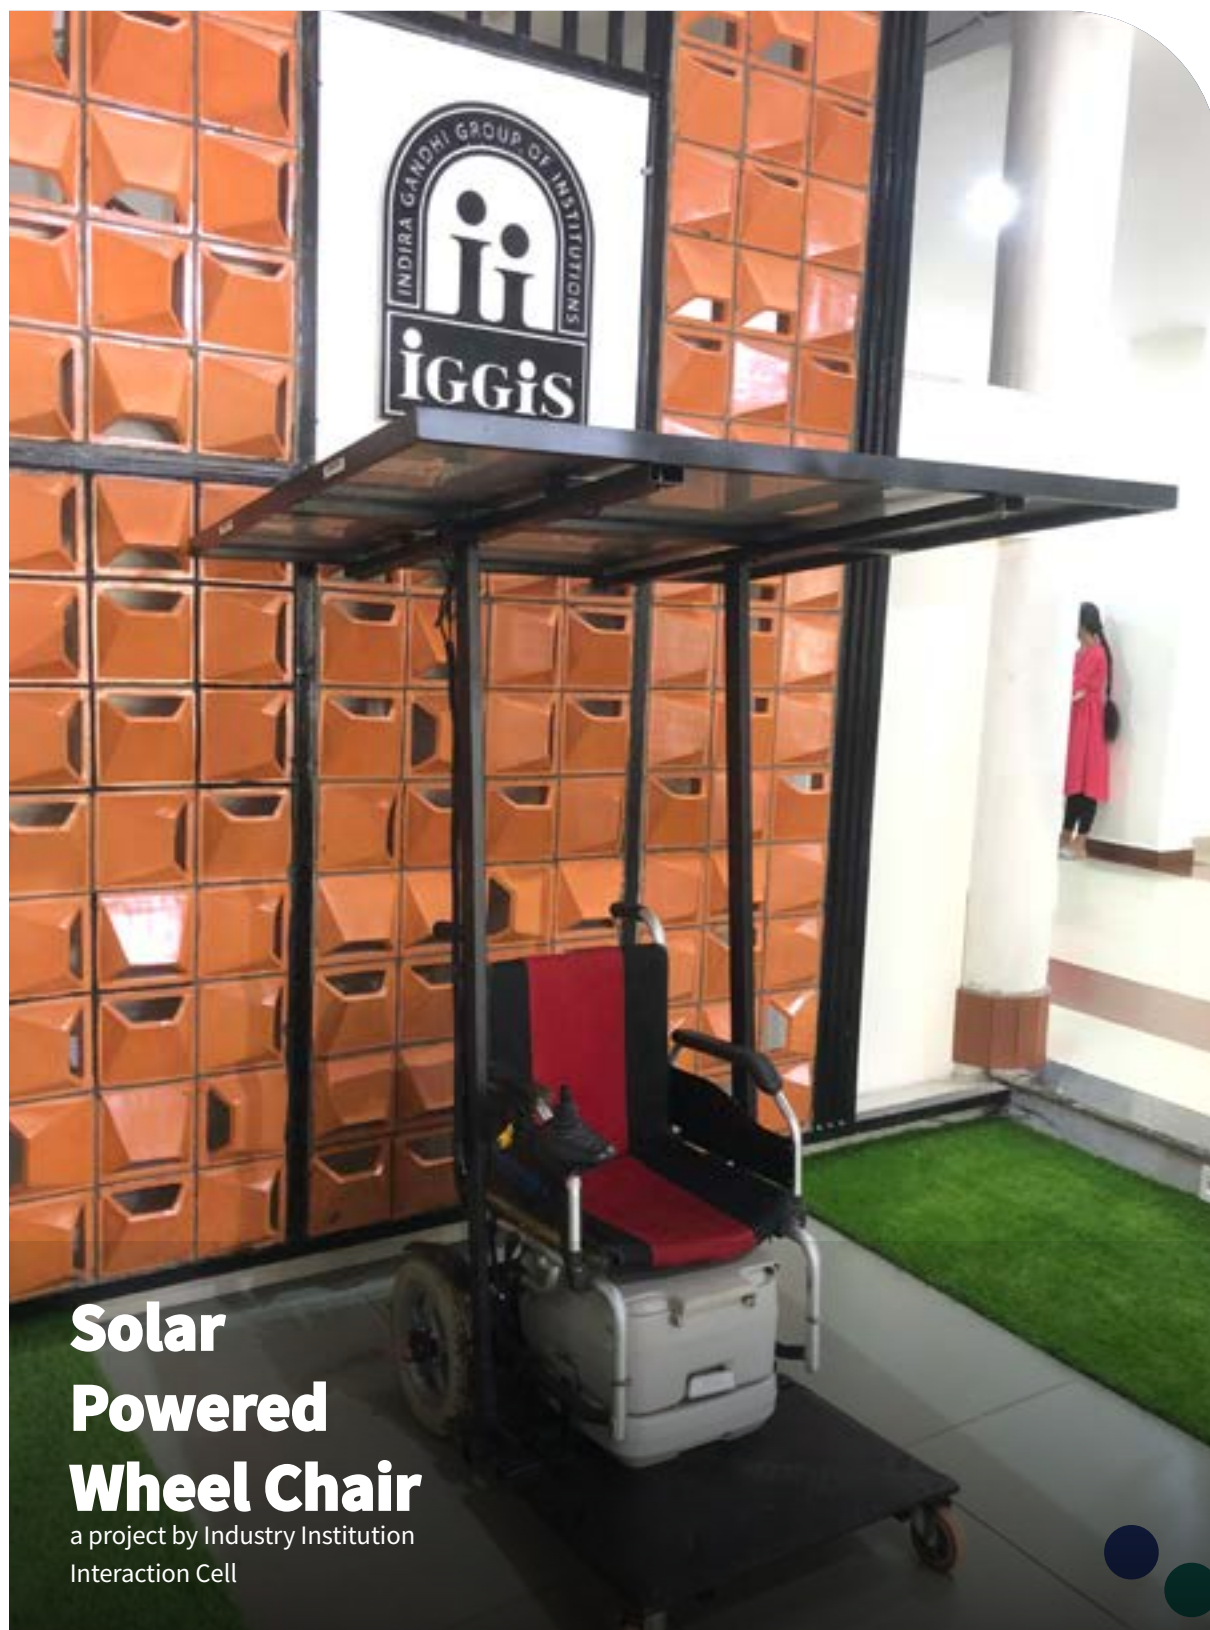

Hostel facilities for Boys & Girls

Transportation facilities for the day scholars
Cafeteria

Well established Innovation and Entrepreneurship Centre (IEDC), Well equipped Language Lab

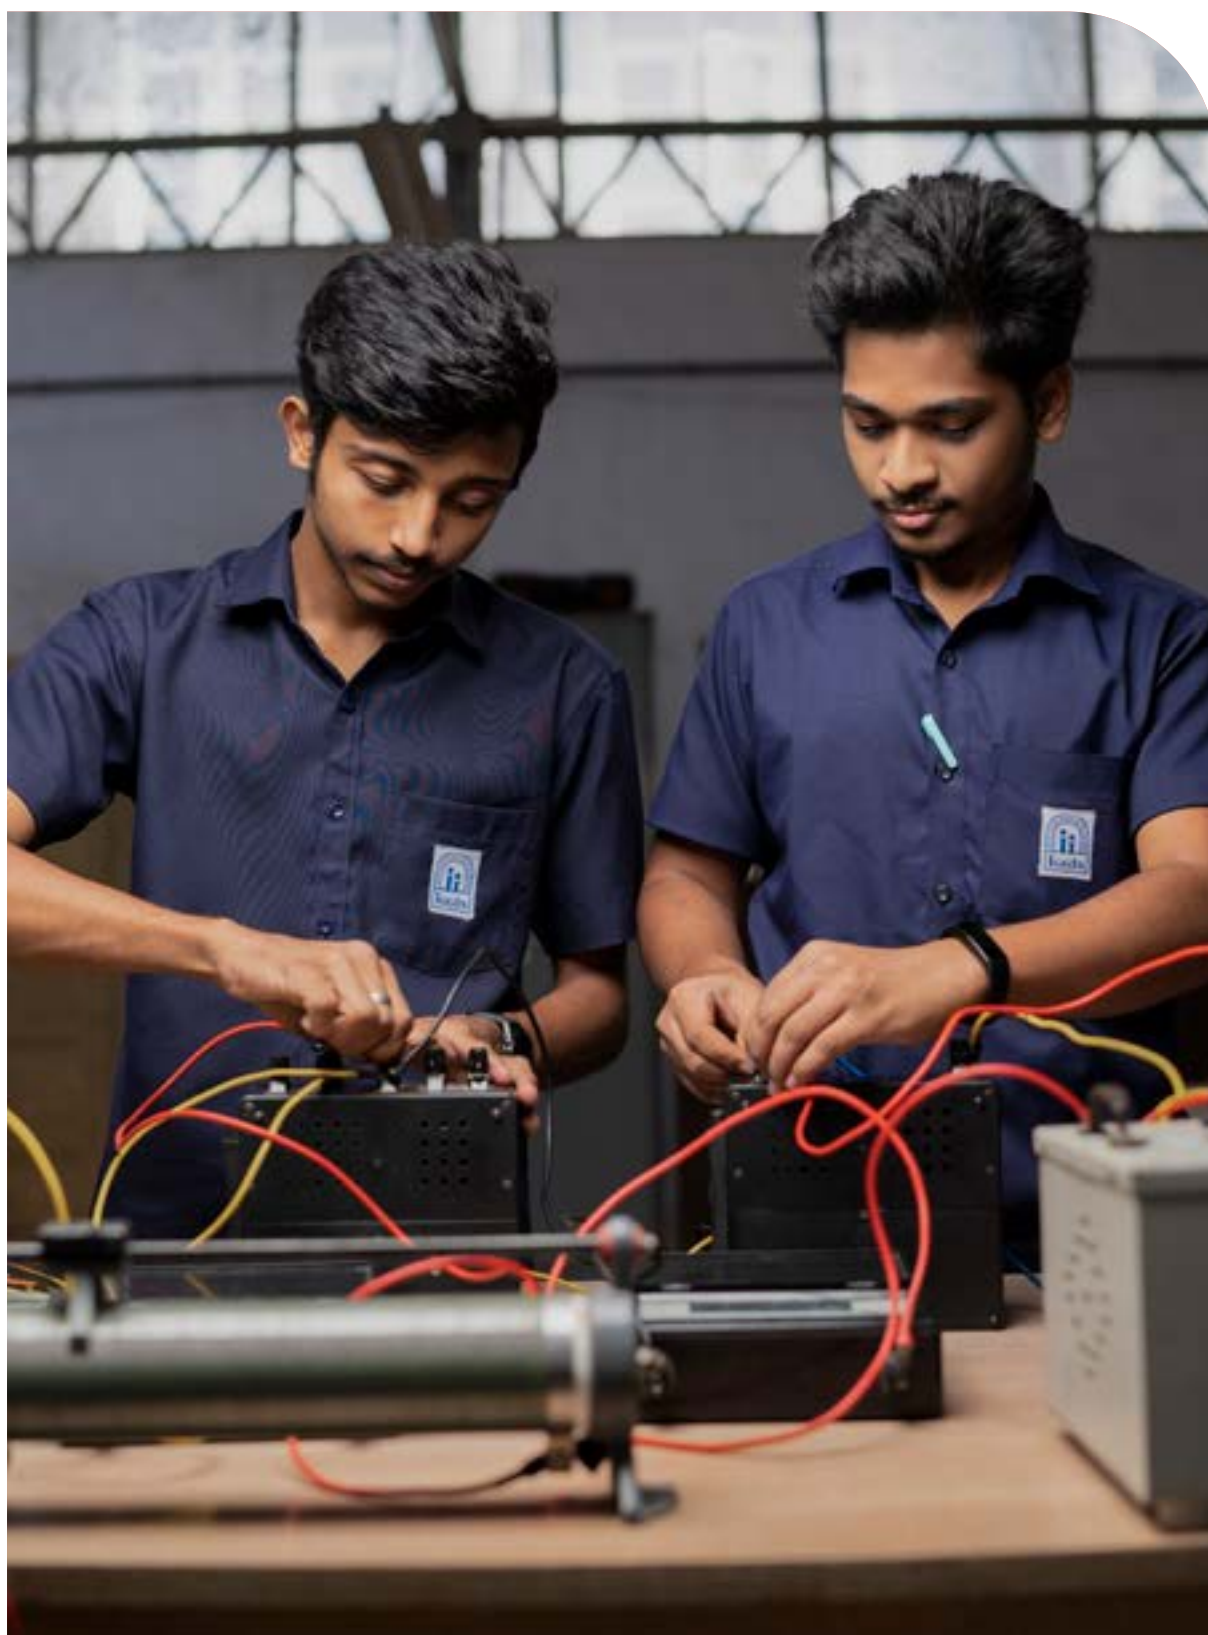

Prospects

Excellent job opportunities await the students who complete the course such as Academic Researcher, System Analyst, Database Manager, IT Technical Content Developer, Embedded Engineer, Plumbing and Fire Fighting Engineer, Construction Engineer, Tool and Die Maker, Service Engineer, Quality Engineer and in the areas of Railways, Airports, Power Grid Electrical Department, Production Industries, Construction Industries etc...

The College was established in the year 2018. Since the beginning, the college is succeedingly offering quality Technical Education and enriching the skills of the students, which help them in making their dreams a reality. The college is situated at Odakkali near Perumbavoor.

Courses Offered

Diploma

1. Chemical Engineering
2. Civil Engineering
3. Mechanical Engineering
4. Electrical & Electronics Engineering
5. Automobile Engineering

Salient Features

Language Lab.
Very enthusiastic Department Associations.
Well-maintained Playground.
A good network of Transportation Facilities.
Well-furnished Boys Hostel.

Eligibility

Students who have passed SSLC or equivalent can apply in their course of interest. A student who have passed Higher Secondary with Physics, Chemistry and Mathematics, can get admitted directly to the second year through lateral entry.

Prospects

Excellent job opportunities await the students who complete the course such as in the areas of Railways, Airports, Power Grid Electrical Department etc.

Course Duration

The course is of **3 Year** duration

KMP COLLEGE OF PHARMACY

The institution thrives to create individuals, who help in improving the health sectors and the quality of Pharmacy Services. The institution moulds individuals who lend their hand for the betterment different communities of the world.

Affiliations

Approved by Pharmacy Council of India (PCI, New Delhi).

Affiliated to Kerala University of Health Sciences (KUHS, Thrissur).

Affiliated to Directorate of Medical Education (DME, Trivandrum).

Courses Offered

B.Pharm

D.Pharm

Eligibility

B.PHARM

Candidates who have passed Higher Secondary Examination in Kerala or recognised as equivalent there to with, 50% marks in Biology or Mathematics separately and 50% marks in Physics, Chemistry and Biology or Mathematics put together are eligible. The applicants should have completed 17 years of age as on 31/07/2022.

D.PHARM

Candidates who have passed higher Secondary Examination of the Kerala State with Physics, Chemistry and Biology/ Mathematics as optional subject and equivalent or VHSE of Kerala from 1994- 1995 sessions with Group A and B considered as equivalent examination are only eligible for admission to D.Pharm. Group A – NCERT syllabus in Physics, Chemistry and Mathematics. Group B - NCERT syllabus in Physics, Chemistry and Biology.

Salient Features

Spacious lecture halls.

Language laboratories.

Highly qualified, experienced and dedicated faculty.

Ideally located.

Separate hostel facilities for both boys and girls.

Prospects

On successful completion, a student can work as a Pharmacist and in other related fields such as Production, Quality Control and Clinical Trial Organizations.

Course Duration

Duration of B.Pharm is of **4 Year**
and D.Pharm is of **2 Year**.

INDIRA GANDHI COLLEGE OF PARAMEDICAL SCIENCE

Affiliation

Approved by Government of Kerala.

Course Offered -

Diploma in Health Inspector (DHI)

The institution provides exposure to latest technology and advanced system. Socially committed and skilled graduates are always a boon to the society. The institution delivers quality education to the young generation.

Salient Features

Green rich campus.
Information Centre.
Transportation facilities.
Separate hostel for boys and girls.

Eligibility

Minimum 45% marks in Higher Secondary / VHSE, with Physics, Chemistry and Biology as core subjects.

Prospects

Can pursue a career in Public Health, Sanitation & Private Medical Bodies.

Course Duration

The course is of **2 Year** duration

INDIRA GANDHI TRAINING COLLEGE

The college aims at developing socially inclined, morally and ethically upright, professionally skilled and dedicated teachers of tomorrow. - Well-furnished Boys and Girls Hostel
- 100% Placement
- Eco friendly campus

Prospects

BCA is a course designed to give an insight to the students regarding various CS & IT concepts and their practical applications as well. IGGIS's excellent Placements in BCA enable students to grab promising opportunities available to them in the leading companies like Infosys, Amazon, Cognizant, Microsoft, HCL, Capgemini, Aricent, TCS, Concentrix, British Telecom, Network Bulls, IBM, and many more.

BBA is the course that most students take when they are unsure of the domain they want to work in and are ready to explore different career options. BBA allows skill-building in all areas of business viz., Marketing & Sales, Finance, Operations, HR, and even Information Technology. In addition, all these areas along with leadership and management skills allow one to aim for contemporary jobs. Students who graduate out of a BBA course can choose any field or domain and many a time excels in that too! BBA courses also help develop entrepreneurship and business skills among students.

INDIRA GANDHI TEACHER TRAINING INSTITUTE

Indira Gandhi Teacher Training Institute welcomes qualified individuals from the region and beyond to impart appropriate practical & theoretical teacher training. This college provides the key step necessary to pursue a career in the field of teaching successfully. By doing so, the college desires to brace the teaching staff who in turn will teach the future of the Nation. The D.El.Ed program at Indira Gandhi Teacher Training Institute is more experiential than theoretical. It involves classroom and laboratory-based learning and plenty of practical insights to prepare the students for the teaching career which will be rewarding and fulfilling. Today it is imparting an all-round development in an atmosphere of serene peace, discipline, and moral purity, encouraging the learners to be effective and true teachers in the future. The college dreams to pave the path of enriched and quality education for future generations to shape society into a better one.

Affiliations

Recognized by the Government of Kerala
Approved by NCTE

Courses Offered

Diploma in Elementary Education (D.El.Ed)
is a 2-years diploma course focused on primary teachers' training. D.El.Ed provides training to the would-be teachers to teach students in the primary/upper primary school, aged between 6-15 years/class I to VIII.

Course Duration

The college offers two years D.El.Ed Course in the unaided self-financing scheme

Eligibility

Candidates who have completed their 10, +2 or equivalent exam with a minimum average aggregate of 50% are eligible to apply for admission. Candidate should not have taken more than three chances to pass the Higher Secondary Examination.

Age Limit

Candidates must have completed 17 years and should not exceed 33 years. Relaxation stipulated by the Government applies to candidates with reservations.

Salient Features

- Guest lecturers/Workshops/Seminars by eminent educationists
- Educational Visits to NCERT, National Science Centre, Book Fairs, etc.

- ICT-based Education (Smart Board, LCD Projectors, and ICT Lab)
- Mentor-Mentee System: Personal/ Professional Guidance & Counselling
- Provision for Anti-ragging committee, Student Grievance & Internal Compliance cell
- Campus Placement assistance in reputed Schools

- Best Transportation facilities
- Separate hostel for boys and girlsV

Prospects

In the unique journey of every student, we teach them not only how to succeed in life and make money or hold positions but also, how to fail and stand up again. We focus to make the students more versatile and effective teachers so that they can impart quality education. Internships are included in both the years of study which helps the D.El.Ed students to implement the methods of teaching that they learn during their course.

Students' Voice

Dr. Sajana Salim

Graduated in 2016, Indira Gandhi Institute of Dental Sciences.

"I feel proud and blessed to be a part of

Indira Gandhi Institute of Dental Sciences. My college life played a crucial role in moulding me into a talented professional and changing the vision about my life. This was made possible by the extremely skilful team of faculty, friends who always instilled positive vibes in me and the very environment of the college. Every exam I took on the behalf my course were real journey of trust and success. I am really grateful and happy to be a part of it".

Dr. Nitha Jose

Graduated in 2018, Indira Gandhi Institute of Dental Sciences.

"I pride myself for being an alumnus of Indira Gandhi Institute of Dental

Sciences because of the dynamic & innovative clinical and academic educational portfolio. Indira Gandhi Institute of Dental Sciences is a great place to study and to get tuned into finest dentists. The staff here have always been on hand to help with any queries or support and guidance. The extensive patient exposure provided by the college is exceptional and thus instilled the confidence in me to start my private practice as soon as I finished my graduation".

Dr. Shereef K. Bava

Graduated in 2018, Indira Gandhi Institute of Dental Sciences.

"Thank you so much for this opportunity. As an undergraduate

student in Indira Gandhi Institute of Dental Sciences, I received an education that was second to none, along with exceptional support from academic and clinical staff alike. The skills learnt have enabled me to take a great pride and find joy and satisfaction in my day to day working life".

Jobsy Judit

Graduated in 2020 - B.Com Finance & Taxation, Indira Gandhi College of Arts and Science.

"I am extremely grateful to the management and staff for their tireless efforts

to ensure a bright and prosperous future for us. During my study period, I found the college to be the best, as the staff were able to deliver the best of education. Staff members were always ready to help. Indira Gandhi College of Arts & Science gives a great opportunity for students to broaden their knowledge beyond their field of studies within a vibrant environment".

Jayasree O.V.

Junior Health Inspector, Perumbavoor Municipality, Govt. of Kerala. Graduated in 2016 - Indira Gandhi College of Paramedical Science. "I have chosen the right college and program to study according to my

interests. The DHI course from the Indira Gandhi College of Paramedical Science has given me a head start in my career".

Anju K.P.

Indira Gandhi Institute of Polytechnic & Engineering (2015 - 2018)

"Indira Gandhi Institute of Polytechnic and Engineering not only made me an engineer but made me self-

dependent and a worthy woman. The credit goes to all my Professors and to my Principal".

Manu Augustine

(Founder CEO - Arvin Technologies) Graduated in 2020, Indira Gandhi Institute of Polytechnic and Engineering (M.Tech). "My time at the Institute was an

experience I will cherish forever. The college has given me a wonderful life with a good career. The Friendly attitude of the staff and their willingness to always offer a helping hand has made me feel a part of the IGGIS family".

Sen Sagacious

Indira Gandhi Polytechnic College (S5 - Mechanical)

"I am really happy to be a part of Indira Gandhi Polytechnic College as it has changed my attitudes towards

learning. The teaching faculty is extremely talented and helpful. The periodic test helped me to analyze my performance throughout my preparation and improve accordingly".

Dr. Varada

Graduated in 2017, Indira Gandhi Institute of Dental Sciences.

"My experience here at Indira Gandhi Institute of Dental Sciences has given me the extended knowledge, I need to take my career in a totally different path. I'm beyond

pleased with all that I have learnt and gained throughout my time here. The clinical exposure and patient management which I have grabbed from Indira Gandhi Institute of Dental Sciences gave me the extra confidence I needed to keep pushing towards building my own empire".

Our Achievements

The collaborative research of Indira Gandhi Institute of Dental Sciences with Nagasaki University, Japan has been published in Plos One journal.

The collaborative research of Indira Gandhi Institute of Dental Sciences with Syiah Kuala University, Indonesia, has been published in Pathogens and Global Health journal.

Indira Gandhi Institute of Dental Sciences received financial assistance of Rs 20000 for student's project of Kerala State Council for science and environment.

Indira Gandhi Institute of Dental Sciences journal has been indexed with 20 indexing databases through Advanced Science Indexing.

Indira Gandhi Institute of Dental Sciences intern won 2nd and 3rd prize for scientific paper presentation in the Kerala state Triple O conference.

Indira Gandhi Institute of Dental Sciences was also first among OMFS Marathon Meet.

The staff and students team of Indira Gandhi Institute of Dental Sciences had won cash prize at MAXFAC@50 Road Safety Awareness Programme, Walkathon conducted at Durbar Hall, Ernakulam by the Association of Oral and Maxillofacial Surgeons of India.

Indira Gandhi Institute of Polytechnic and Engineering ranked second among all Engineering Colleges affiliated to MG University in 2014 - 18 batch with 97% of result in B.Tech.

Indira Gandhi Institute of Polytechnic and Engineering bagged the Best Project Award at MBITS Poly Expo 2019, for 'Super Sturdy Multipurpose Vehicle'.

Nithin Xavier from Electrical & electronics engineering Department of Indira Gandhi Polytechnic College, secured First Prize in Aerodrone Design held at TKM College of Engineering, Kollam.

Students of Indira Gandhi Institute of Polytechnic and Engineering, won KSCSTE (Kerala State Council for Science, Technology and Environment) fund for their project to build engine which runs on Biogas.

Indira Gandhi Institute of Polytechnic and Engineering, maintains an active NSS cell and our student, Anuja Mohankurup of Civil Department won the best NSS Volunteer Award by Kerala State NSS Technical Cell.

Indira Gandhi Institute of Dental Sciences had won the 1st Runner-Up position in IDA Fest 'Vaibhavam', 2019 conducted at Varkala; where 23 dental colleges all over Kerala participated.

Indira Gandhi Institute of Dental Sciences was the First among private dental colleges in KUHS (Kerala University of Health Sciences) Fest 2018, 'KITHAB' and also secured 14th position out of 82 colleges in Central zone.

Inter Zone KUHS fest, Indira Gandhi Institute of Dental Sciences bagged the First Prize for Light Music and Classical Music and also bagged the Prizes in Arabic Versification, Photography Competition, English Recitation and Tiktok Competition etc.

Providing Laptops at Free of Cost

As everything go online, laptops are an inevitable educational tool nowadays. IGGIS started the new academic year by providing brand new laptops at free of cost to their students.

Prepare Today for Tomorrow's Technology

Along with providing top notch education facilities, it is equally important for each professionally elite colleges under IGGIS trust, to make sure that enough placements or ample arrangements are being made to secure the career of the students. To ensure our precious students their best shot for starting their careers, exclusive campus recruitments

are conducted for IGGIS students every year. We also conduct Job Fair to give opportunity to other students to take part in it. To our extreme satisfaction, the results are improving. We, IGGIS wind up the drive with a silent promise to include more companies on our next placement drive and thereby enable our students to land on their dream jobs right after the college.

Our Rank Holders

Rank Secured in University Exams

Sl No.	Year	Course	Name	Rank
1	2005	B.Sc. Biotechnology	Swapna Sasidran	2 nd Rank
2	2006	M.Sc. Microbiology	Sunanda Thomas	1 st Rank
3	2007	B.Sc. Biotechnology	Santhi P. S.	1 st Rank
4	2007	B.Sc. Biotechnology	Aswathy Nair	2 nd Rank
5	2008	B.Sc. Microbiology	Deepamol V.	2 nd Rank
