

30.10.2023

INSTITUTIONAL ETHICS COMMITTEE - MINUTES OF MEETING HELD ON
30.10.2023

An Institutional ethics committee meeting was conducted on 30th of October 2023 to review the following research proposals.

1. Topic: Cariogenic potential of locally prepared thirst quenchers in Kerala

Name of the Principal Investigator: Ms. Josy B Jose

Affiliation: Final Year BDS Part I Student, IGIDS

2. Topic: Habit cessation smartphone applications in India – content analysis and quality review

Name of the Principal Investigator: Ms. Merin Jose

Affiliation: Final Year BDS Part I Student, IGIDS

After consideration, the committee decided to approve both the study proposals with a validity of 2 years.

The investigators are instructed to take re-approval after the end of term if necessary.

The investigators are requested to submit the progress report after 1 year to IEC for review.

Any change, modification or deviation in the protocol, or any adverse event must be informed to ethics committee.

Any protocol modification or amendment must receive IEC approval. Investigator should conduct the study as per the recommended **Good Clinical Practice guidelines**.
