About

Founded in 2001, the Indira Gandhi Memorial Trust, embarked on its maiden venture in the field of education through its premier institution- Indira Gandhi College of Arts and Science. Over the years, the Trust has expanded its domain by including other initiatives, the Dental College, Engineering College, Paramedical College, Pharmacy College, Nursing College, Polytechnic College, Law College and Training Colleges -all catering to varied career interests.

The Indira Gandhi Group of Institutions has been successful in kindling and encouraging curiosity & academic engagement, as well as inculcating a zeal for higher education. The structured and methodical programmes offered by these institutions focus on hands-on training, industrial relevance and social significance, aided by teachers and instructors with unparalleled experience in their respective fields.

Our Vision

To be the fountainhead of new ideas in education, research and innovation.

Our Mission

To create intellectuals with universal values, capable of embracing all cultures, religions and individual differences, to bring about a positive potential and peaceful influence, to society through affordable globalized education. To create advanced world class ambience of academic excellence in which new ideas, research and scholarship flourish and from which the leaders and innovators of tomorrow emerge.

“We are committed to providing opportunities that empower students to compete confidently with highly skilled peers at both national and international levels.”

Haji K.M. Pareeth, the driving force behind the Indira Gandhi Memorial Trust, is a distinguished political leader with decades of service in education, health-care, and business. In recognition of his remarkable contributions across these sectors, he was honoured with the Jawaharlal Nehru Excellence Award 2024, reinforcing his role in shaping the trust's journey towards excellence.

From the Chairman's Desk

In the globally competitive environment of higher education, IGGIS has a very unique approach. Our objective is to turn the challenges of changing world in to wisdom of opportunity for the future. In the wake of today's society, it is our allegiance to provide the students an opportunity to standout on an equal footing with others in the national and international level. IGGIS will spare no effort for excellence and will set high standards in all sectors of education.

Haji. K. M. Pareeth
chairman

From the Management Desk

K.P. Sairaj
Vice Chairman

K.P. Shibu
Director

Dr. K.P. Siyad
CEO

Dr. K.P. Shiyas
General Secretary

K.P. Shaji
Trustee

An all-round development will be provided by Indira Gandhi Group of Institutions to a student admitted in any of the colleges governed by the Indira Gandhi Memorial Trust. The group of colleges can bring out the best future for a student. Since 2001, the Group of Institutions has achieved many milestones and has improved ourselves and brought light to the lives of our students.

The best teachers and mentors available in our Group of Institutions have always been a guiding light to our students. We have made a mark in the society as one of the most prestigious and most sought out institutions in Kerala. Together, we all can achieve and make our dreams into reality. The college offers many courses and the students can choose the most suitable course which is best for them. Equipped with the top-notch modern facilities, the college provides every basic amenity that is needed for a student to bring out their potential. The Indira Gandhi Group of Institutions, a centre of excellence and education will continue to thrive and help in moulding students achieve their dreams.

Founder, Chairman, Haji. K.M. Pareeth along with Mr. K.P. Sairaj (Vice Chairman), Mr. K.P. Shibu (Director), Dr. K.P. Siyad (CEO), Dr. K.P. Shiyas (General Secretary), Ms. P.U. Shereena (Treasurer), with Mr. K.P. Shaji, Ms. A. Shuhaina, Ms. K. Suhana, Dr. Nadah Najeeb Rather, act as the trustees and take care of the activities of Indira Gandhi Memorial Trust and guides in moulding a great educational society.

From the Principal's Desk

"A desire can change nothing, a decision can change something, but a determination can change everything. At Indira Gandhi Institute of Engineering and Technology, students are being trained to a broad academic process that goes beyond the class rooms. Our students are moulded into future ready world class engineering professionals through the combination of academics, co- curricular and extra-curricular activities".

Dr. S. Senthilkumar

PhD
Principal, Indira Gandhi
Institute of Engineering
and Technology

"Management and faculties always focus on moulding each student as an efficient, socially committed and skilled dentist to achieve our vision of making Kerala a global destination in specialized Oral & Dental healthcare".

Dr. Sanu Tom Abraham

Principal, Indira Gandhi
Institute of Dental Sciences

"Education is a prerequisite to progress and development of a society. Suitable education at the graduate and postgraduate levels can be a person's passport to cushy jobs and economic advancement in life. Giving proper training to the youth, college would equip them with deep subject knowledge and soft skills, helping them to attain better careers".

Dr. Viji. K. Ramakrishnan

PhD, MEd, MSW
MSc Zoology, MSc Psychology
Principal, Indira Gandhi
College of Arts and Science

"To educate the student's fraternity by the application of science to the optimum conversion of natural resources to the use of humankind and to conquer tomorrow's technology at the global level of the human values through our dedicated team".

Mr. Revikumar M.S.

BTech
Principal, Indira Gandhi
Polytechnic College

"The college comprises of eminent academicians, who focuses on creating a new employable generation, with universal values, capable of influencing the society and strengthening the nation in a positive way".

Dr. J. Nandhakumar

PhD, MPharm
Principal, Indira Gandhi
Institute of
Pharmaceutical Sciences

"At Indira Gandhi Memorial College of Nursing, we are more than just an institution - we are a family dedicated to cultivating the next generation of exceptional healthcare professionals. Founded with the unwavering commitment to academic excellence, we strive to shape not just skilled nurses, but compassionate leaders who embody the spirit of service and ignite a passion for excellence in nursing education"

Prof. Bindu C.G.

Principal, Indira Gandhi
Memorial College of Nursing

" Indira Gandhi Teacher Training Institute is an irrepressibly important and irresistibly notable center of education. It is a renowned and well-established institution. Since it's inception in 2004, the institute has been sowing the imperishable seeds of education in the field of teacher training. Focusing on holistic development, it equips educators with the necessary skills and knowledge, empowering those who dedicate themselves to the teaching profession. Indira Gandhi TTI fosters a nurturing environment that promotes both academic and personal growth in multifarious ways. We sincerely invite you to choose Indira Gandhi TTI to quench your thirst for knowledge "

Mr. Thomas Mathew

MA (Eco), MA (Psy), MEd
Principal, Indira Gandhi
Teacher Training Institute

"Healthcare, being among the most emerging careers of the century offers a wide range of opportunities. IGPMC is a blend of technology and health science and it proposes to produce world-class professionals. Multi-disciplinary nature of the healthcare system imparts team work of various medical, paramedical and non-medical professionals. The college started with Diploma in Health Inspector course (DHI) in 2007, approved by Kerala Paramedical council. The course program is designed to train professionals to work in the preventive phase of primary healthcare workforce".

Mrs. Bini Paul

MSc, BEd,
Academic Director,
Indira Gandhi College of
Paramedical Science

"Welcome to our teacher training community! As future educators, you are about to embark on a rewarding journey that will shape the minds of tomorrow's leaders. Our mission is to empower you with the skills, knowledge, and passion to inspire a love of learning in your students. At IGTC, we believe that teaching is not just a profession, but a calling. As teacher trainees, you are committed to excellence in education. Our institution serves as a hub for resources, support, and connection. Together, let's strive for exceptional teaching practices that transform lives. Become the best version of yourself and make a lasting impact on your students. We equip you with cutting-edge methodologies, innovative strategies, and a supportive network. Together, let's empower students, enrich communities, and shape the future of education."

Dr. Banazair O.A.

MSc, MEd, MPhil, PhD
Principal, Indira Gandhi
Training College

"Law is the pillar of every community, which bestows abiding citizens, lawyers, scholars, researchers and aspiring judges. The profession of law is noble one, which caters to the needy and provides justice to the common man. This institution looks forward to equip the students of law with core competencies to enable them to meet the challenges thrown by the changing terrains and paradigms of the post globalised world. The management ardently believes in providing an effective teaching and learning environment through well qualified faculty and best infrastructure."

Dr. Soman P. Mamkuttathil

MA, LLM, MPhil, PhD, UGC
Principal, Indira Gandhi
Law College

"Education provides the tool and opportunity to fulfil one's dream. The quality of education provides us various angles and promotes our thinking line for different avenues. Every academic year we embark on a journey in pursuit of academic excellence, creative brilliance and all-round development of our students."

Dr. Harikanth S.

MCom, MPhil, PhD
Principal, KMP

INDIRA GANDHI INSTITUTE OF DENTAL SCIENCES

Indira Gandhi Institute of Dental Sciences (IGIDS), established in 2007, is a premier institution located in Nellikuzhi, 3 km ahead of Kothamangalam city, enroute from Perumbavoor. Renowned for its excellence in dental education and skill development, IGIDS has emerged as a sought-after institution for aspiring dental professionals. It holds the distinction of being the first standalone undergraduate dental college to receive NAAC 'A' grade accreditation, reflecting its commitment to academic quality, clinical expertise, and research excellence. With state-of-the-art infrastructure, experienced faculty, and a strong emphasis on hands-on training, IGIDS continues to shape the future of dentistry.

Affiliations

Affiliated to Kerala University of Health Sciences, Thrissur.

Recognized by Ministry of Health and Family Welfare, Govt. of India and Dental Council of India, New Delhi.

Approved by Government of Kerala.

Course Offered

Bachelor of Dental Surgery (BDS)

Course Duration

5 Years and 6 months
(Including One Year Compulsory
Rotating Residential Internship)

Dental Departments

1. Prosthodontics and Crown & Bridge
2. Conservative Dentistry & Endodontics
3. Oral Pathology and Microbiology
4. Oral and Maxillofacial Surgery
5. Periodontology
6. Implantology
7. Orthodontics and Dentofacial Orthopaedics
8. Paediatric and Preventive Dentistry
9. Oral Medicine and Radiology
10. Public Health Dentistry

Medical Departments

1. Anatomy
2. Physiology
3. Biochemistry
4. Pharmacology
5. Microbiology
6. General Pathology
7. General Medicine
8. General Surgery
9. Anaesthesia

Salient Features

- The first standalone UG Dental College in India accredited by NAAC with 'A' grade.
- ISO 9001-2015 certified Institution
- IAF Certified Institution
- International Academic Partner with MAHSA University (Malaysia), and Research collaborations with Syiah Kuala University (Indonesia) and Nagasaki University (Japan).
- India's first Telemedicine Unit for Oral Cancer Screening.
- Students receive training under the most modern Computed Tomography, using CBCT 3D PRO.
- Palliative Care Training provided.
- Basic Life Support training program is given for all interns.
- Research proposals by students are regularly approved by ICMR under the Short-Term Studentship (STS) program.
- Students are encouraged to publish articles in international and national scientific journals.
- Well-equipped and full-fledged library.
- Excellent students' supportive faculty.
- Well-furnished hostel facility.
- First fully solar-powered dental college in India.

Eligibility

To be eligible for admission to the BDS course, a student must have completed higher secondary education with Biology, Chemistry, and Physics as core subjects. Additionally, they must qualify for the National Eligibility cum Entrance Test (NEET) conducted by the National Testing Agency with the required cut-off marks. Registration in KEAM is mandatory for seat allotment, and all admissions (both MERIT & NRI) are processed through CEE allotment only.

Prospects

BDS is one of the most sought out course in the Medical Field. Opportunities in industries, manufacturing oral care products, research departments under Central and State Governments are some of the prospects under BDS.

HYBRID PROGRAMS

The Hybrid programs along with conventional degree courses, aim to provide additional post learner centric, graded skill oriented technical training with the primary objective of improving the employability skills of students, self-employment and empowerment.

BCA + Hybrid Artificial Intelligence & Machine Learning

BCA + Hybrid Cloud Computing & Cyber Security

BSc Cyber Forensic + Ethical hacking & Cyber Security

BSc Computer Science + Hybrid Artificial Intelligence & Machine Learning

BSc Computer Science + Hybrid Cloud Computing & Cyber Security

BSc Computer Science + Hybrid Data Science & Business Intelligence

BBA + Hybrid Aviation & Hospitality Management

BBA + Sports Management & Fitness Trainer

BBA + Hybrid Aviation & Hospitality Management + IATA

BBA + Hybrid Logistics & Supply Chain Management

BCOM + Hybrid Artificial Intelligence & Machine Learning

BCOM COMPUTER + Hybrid Aviation & Hospitality Management

BCOM COMPUTER + Hybrid Logistics & Supply Chain Management

BCOM FINANCE & TAXATION + Hybrid Logistics & Supply Chain Management

BCOM COMPUTER APPLICATION + Digital Marketing & Graphic Designing

BCOM COMPUTER + Hospital Administration & Healthcare Management

BCOM COMPUTER + Sports Management & Fitness Trainer

BSc PSYCHOLOGY + Hospital Administration & Health Care Management

BA Economics + Sports Management & Fitness Trainer

BA English + Hospital Administration & Healthcare Management

BA English + Hybrid Aviation & Hospitality Management

Prospects

After successfully completing Under Graduation and Post Graduation, the scope of job opportunities is very vast. One could get Government Jobs, take up job as a College Lecturer and even take up Civil Service examinations.

Eligibility

MSW

Candidates for admission to the first semester of the MSW programme shall be required to have passed any Degree Examination with a minimum of 45% marks of Mahatma Gandhi University as specified or any other examination of any recognized University or authority accepted by the Academic Council of Mahatma Gandhi University as equivalent thereto.

MA English

Graduation in English under (Model I/II/III) or graduation in other faculties of Language and Literature, Social Science, science, Oriental Studies are eligible for applying for MA programme in English provided they satisfy the eligibility criteria as detailed below. I. For CBCCS 2013 pattern - CCCPA of 4.5 out of 10.00 in the Core Group (core + open + complementary courses) or if the CCPA scored by the graduate for common course is greater than the CCPA scored for core course and is 5.0 or above. II. For CBCSS 2009 pattern – CGPA of 1.80 out of 4 or if the CGPA for common course is greater and is 2 or above. III. For Other patterns – 45% marks in core + subsidiary under part III or if the marks for Part I English is greater than the marks in Part III and is 50% or above.

MSc Chemistry

Graduation in Chemistry/ Petrochemicals with not less than CCPA of 5.00 out of 10.00 in Core Group (Core + Complementary +Open Courses). Relaxation in Marks in the qualifying examination: 1. For SC/ST category, a pass in the qualifying examination is the minimum requirement for admission. 2. For OEC category CCPA of 4.5 in the qualifying examination is required.

MSc Physics

Bachelor's degree in physics with an aggregate minimum of 50% marks.

MSc Mathematics

As per the rules and regulation of PG admission of MG University, 2019.

MSc Zoology

BSc Zoology with 50% marks

MSc Microbiology

A candidate seeking admission to MSc Microbiology must have at least 50% marks in biological sciences (Zoology, Botany, Biochemistry, Biotechnology, Microbiology, etc.) or Chemistry at the graduate level. The admission to MSc Microbiology PG Programme shall be as per the rules and regulations of the university.

MSc Biotechnology

A candidate seeking admission to MSc Biotechnology must have at least 50% marks in any branch of Life Sciences viz. Zoology, Botany, Biochemistry, ,Biotechnology, Microbiology, Biological Techniques & Specimen Preparation and Microbiology or Chemistry at the graduate level; Candidates having BSc degree in Industrial Microbiology / Medical Microbiology/ MLT with 50% marks are also eligible. MBBS/ BSc Agriculture/ BVSc/ BFSc/ BTech (Biotechnology) Degree holders can also apply.

MSc Food Tech

Any student who has bachelor's degree in Biochemistry, Biotechnology, Chemistry, Food Science & Technology, Food Technology & Quality Assurance, Food Science & Quality Control, Home Science with Chemistry (as auxiliary), Microbiology or Life Science stream with a minimum of 50% marks in aggregate from a recognized University can apply for the MSc Food Technology & Quality Assurance Program. SC/ST candidates need only a pass in the qualifying examination. SEBC (Socially and educationally backward class) OEC (Other Eligible Castes) will be given a relaxation of 3% and 5%, respectively in the prescribed minimum marks.

MCom

A candidate who has passed BCom/BBA/ BBM approved by MG University with a minimum of 45% are eligible to pursue the MCom Programme on a regular basis. Relaxation in percentage is allowed for SC/ST, OEC, SEBC and physically challenged students as prescribed by the University from time to time.

INDIRA GANDHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

Indira Gandhi Institute of Engineering and Technology, established in 2009 is a NAAC Accredited and ISO Certified premier institution, which promotes excellent education in the field of Engineering and Technology. Indira Gandhi Institute of Engineering and Technology focuses on developing academic and co-curricular activities of the students.

Affiliations

Approved by AICTE
(All India Council for Technical Education).

Affiliated to A.P.J. Abdul Kalam Technological
University.

Courses Offered

BTech

Artificial Intelligence & Machine Learning
Civil Engineering
Computer Science & Engineering
Electrical & Electronics Engineering
Electronics & Communication Engineering

MTech

Communication Engineering
Computer Science & Engineering
Structural Engineering & Construction
Management

Salient Features

- Accredited by NAAC
- ISO 9001-2015 Certified
- IIRS-ISRO Outreach Program Nodal Centre
- Research and Development Cell
- Industry Institution Interaction Cell
- Training & Placement Cell
- Well-equipped Digital Library
- Well-equipped Workshops & Laboratories
- Hostel facilities for Boys & Girls inside campus premises
- Transportation facilities for the day scholars
- Cafeteria
- Well established Innovation and Entrepreneurship Development Centre (IEDC)
- Well-equipped Language Lab

Eligibility

Students who have completed Higher Secondary in Science Stream with subjects- Physics, Chemistry and Mathematics can appear for the entrance exam conducted by the Government of Kerala and get allotted to their respective interests of study. Alternatively, those who have passed the higher secondary examinations in Science Stream with minimum percentage of marks as stipulated by Government of Kerala can join the Management Quota. Also, for those who have not written the entrance examination can also join through NRI quota admission.

Those who have passed the Under Graduate course with minimum percentage of marks stipulated by the Kerala Technological University can join for the MTech courses. Also, lateral entry admissions to second year BTech can be utilized for those who have passed the Diploma in Engineering.

Course Duration

4 Year for Graduate Level

2 Year for Post Graduate Level

Prospects

Excellent job opportunities await the students who complete the course such as Academic Researcher, System Analyst, Database Manager, IT Technical Content Developer, Embedded Engineer, Plumbing and Fire Fighting Engineer, Construction Engineer, Service Engineer, Quality Engineer and in the areas of Railways, Airports, Power Grid Electrical Department, Production Industries, Construction Industries etc.

INDIRA GANDHI POLYTECHNIC COLLEGE

The College was established in the year 2014. Since the beginning, the college is succeeding in offering quality Technical Education and enriching the skills of the students, which help them in making their dreams a reality.

Affiliations

Approved by AICTE
(All India Council for Technical Education).

Affiliated to State Board of
Technical Education, Govt. of Kerala.

Courses Offered

Diploma

Artificial Intelligence*
Automobile Engineering
Biomedical Engineering
Civil Engineering
Electrical & Electronics Engineering
Mechanical Engineering
Renewable Energy*
Tool & Die Engineering

Salient Features

- Language Lab
- Very enthusiastic Department Associations
- Well-maintained Playground
- A good network of Transportation Facilities
- Hostel facilities for Boys & Girls inside campus premises

Eligibility

Students who have passed SSLC or equivalent can apply in their course of interest. A student who has passed Higher Secondary with Physics, Chemistry and Mathematics, can get admitted directly to the second year through lateral entry.

Prospects

Excellent job opportunities await the students who complete the course such as in the areas of Railways, Airports, Power Grid Electrical Department etc.

Course Duration

The course is of 3 Year duration

INDIRA GANDHI INSTITUTE OF PHARMACEUTICAL SCIENCES

The Institution thrives to create individuals, who help in improving the health sectors and the quality of Pharmacy Services. The Institution moulds individuals who lend their hand for the betterment of different communities in the world.

Affiliations

Approved by Pharmacy Council of India (PCI), New Delhi.

Affiliated to Kerala University of Health Sciences (KUHS), Thrissur.

Affiliated to Directorate of Medical Education (DME), Trivandrum.

Courses Offered

BPharm

DPharm

Course Duration

BPharm - 4 Years

DPharm - 2 Years

Salient Features

- Language Lab
- Well-maintained Playground
- A good network of Transportation Facilities
- Spacious Lecture Halls
- Ideally located
- Hostel facilities for Boys & Girls inside campus premises

Eligibility

BPharm: Candidates who have passed Higher Secondary Examination in Kerala or recognised as equivalent there to with 50% marks in Biology or Mathematics separately and 50% marks in Physics, Chemistry and Biology or Mathematics put together are eligible. The applicants should have completed 17 years of age on the 31st December.

DPharm: Candidates who have passed higher Secondary Examination of the Kerala State with Physics, Chemistry and Biology/Mathematics as optional subject and equivalent or VHSE of Kerala from 1994-1995 sessions with Group A and B considered as equivalent examination are only eligible for admission to D. Pharm. Group A- NCERT syllabus in Physics, Chemistry and Mathematics. Group B-NCERT syllabus in Physics, Chemistry and Biology.

Prospects

On successful completion, a student can work as a pharmacist and in other related fields such as Production, Quality Control and Clinical Trial Organizations.

Salient Features

- Language lab
- Well-maintained playground
- A good network of transportation facilities
- Spacious lecture halls
- Ideally located
- Separate hostel facilities for both boys and girls

INDIRA GANDHI MEMORIAL COLLEGE OF NURSING

The Institution is dedicated to create Nursing Professionals who are competent, ethically & morally responsible, socially committed & highly dedicated to the noble case of providing all possible health care services for the people with a human & holistic approach.

Affiliations

Approved by Indian Nursing Council.

Affiliated to Kerala University of Health Sciences (KUHS), Thrissur.

Affiliated to Kerala Nurses and Midwives Council (KNMC), Thiruvananthapuram.

Course Offered

BSc Nursing

Course Duration

Duration of the BSc Nursing course shall be four years, which is a credit and semester-based program, comprising of eight semesters including internship.

Salient Features

- Highly qualified, experienced and dedicated faculty
- Regular weekly tests and assignments.
- Spacious classrooms equipped with advanced facilities such as Interactive Panels, OHP slides, and LCD projectors to enhance learning experiences.
- Our library boasts an extensive collection of books, National and International journals, magazines, CDs, and other resources for academic growth.
- Access to fast and reliable internet to support research and learning.
- The institution provides well-maintained nursing labs that meet the standards set by the Indian Nursing Council.
- In addition to nursing labs, we offer labs dedicated to Computer Training, English Language enhancement, and skill development.
- A sufficiently spacious playground for outdoor games and a well-equipped facility for indoor games to promote physical fitness.
- Separate and secure hostel accommodations for both male and female students to ensure a comfortable stay.

Prospects

On successful completion of the course, a student has become Registered Nurse and can work in health care services and in other related fields both in public and private sectors including foreign services. She/He can also select research studies and engage in educating students to mould them professionally and ethically responsible. Ms. Annies Kanmani Joy, an IAS officer, was India's first professional nurse.

Eligibility

Candidates who have passed Higher Secondary Examination of the Board of Higher Secondary Education, Government of Kerala or equivalent as recognized by Kerala University of Health Sciences (KUHS) with 50% marks in Physics, Chemistry, Biology and English put together are eligible for admission. The applicant should have completed 17 years of age on the 31st December.

INDIRA GANDHI COLLEGE OF PARAMEDICAL SCIENCE

The institution provides exposure to latest technology and advanced system. Socially committed and skilled graduates are always a boon to the society. The institution delivers quality education to the young generation.

Affiliations

Approved by Government of Kerala.

Courses Offered

Diploma in Health Inspector (DHI)

Diploma in Medical Laboratory Technology (DMLT)

Course Duration

2 Years

Eligibility

Minimum 45% marks in Higher Secondary / VHSE, with Physics, Chemistry and Biology as core subjects.

Prospects

Can pursue a career in Public Health, Sanitation & Private Medical Bodies.

Salient Features

- Green rich campus.
- Information Centre
- Transportation facilities
- Hostel facilities for Boys & Girls inside campus premises
- Smart Classrooms

INDIRA GANDHI INSTITUTE OF PARAMEDICAL SCIENCES

The institution provides exposure to the advance technologies in Public Health Training. The institution offers quality education to develop a socially committed young generation.

Course Offered

Diploma In Health Inspector (DHI)

Course Duration

2 years

Eligibility

Minimum 40% marks in higher secondary/ VHSE with Physics, Chemistry and Biology as core subjects.

Prospects

Can pursue a career in public health sector, private medical bodies and local self-governments.

Salient Features

- Well experienced faculty
- Sound infrastructure
- Field visit training in hospitals and local self-governments
- Transportation facilities
- Hostel facilities for Boys & Girls inside campus premises

Eligibility

Graduation Degree

Salient Features

- Guest lectures, Workshops and Seminars by eminent educationists.
- Educational visits to NCERT, National Science Centre, Book Fairs, etc.
- ICT based education (Smart Board, LCD Projectors, ICT Lab)
- Mentor Mentee System: Personal, Professional Guidance & Counselling.
- Provision for Anti-Ragging committee, Student Grievance & Internal Compliance cell.
- Campus placement assistance in reputed schools.
- Ambient, green rich campus.
- Best transportation facilities.
- Hostel facilities for Boys & Girls inside campus premises

joyful learning

INDIRA GANDHI TEACHER TRAINING INSTITUTE

Indira Gandhi Teacher Training Institute welcomes qualified individuals from the region and beyond to impart appropriate practical & theoretical teacher training. This college provides the key step necessary to pursue a career in the field of teaching successfully. By doing so, the college desires to brace the teaching staff who in turn will teach the future of the Nation. The D. El. Ed program at Indira Gandhi Teacher Training Institute is more experiential than theoretical. It involves classroom and laboratory-based learning and plenty of practical insights to prepare the students for the teaching career which will be rewarding and fulfilling. Today it is imparting an all-round development in an atmosphere of serene peace, discipline, and moral purity, encouraging the learners to be effective and true teachers in the future. The college dreams to pave the path of enriched and quality education for future generations to shape society into a better one.

BCA (Honours): Candidates shall be required to have passed the Plus Two or equivalent examination with Computer Science/ Mathematic/Statistics/Accountancy/Informatics Practices as one of the optional subjects.

Hybrid Programs

The Hybrid programs along with conventional degree courses, aim to provide additional learner centric, graded skill-oriented technical training with the primary objective of improving the employability skills of students, self-employment, and empowerment.

Prospects

BCA is a course designed to give an insight to the students regarding various CS & IT concepts and their practical applications as well, IGGIS's excellent placements in BCA enable students to grab promising opportunities available to them in the leading companies like Infosys, Amazon, Cognizant, Microsoft, HCL, Capgemini, Aricent, TCS, Concentrix, British Telecom, Network Bulis, IBM, and many more.

BBA is the course that most students take when they are unsure of the domain they want to work in and are ready to explore different career options. BBA allows skill-building in all areas of business viz., Marketing & Sales, Finance, Operations, HR, and even Information Technology. In addition, all these areas along with leadership and management skills allow one to aim for contemporary jobs. Students who graduate from a BBA course can choose any field or domain and often excel in it as well. BBA courses also help develop entrepreneurship and business skills among students.

INDIRA GANDHI LAW COLLEGE

An institution of legal learning facilitating every student to be a professional lawyer to face all the challenges of the profession with a commitment to social and ethical values. This institution intends to foster challenges in legal education in an ever-enriching environment. Our curriculum goes beyond producing traditional lawyers, focusing on cultivating a diverse skill set for various legal services.

Affiliations

Approved by Bar Council of India, New Delhi and Govt. of Kerala.

Affiliated to Mahatma Gandhi University, Kottayam.

Courses Offered

BBA LLB - 5 Year Double Degree Course

BCOM LLB - 5 Year Double Degree Course

Unitary LLB - 3 Year Degree Course

Eligibility

Candidate must have passed 10+2 from a registered board with a minimum of 45% marks to apply for the 5-year LL. B programme. Where as to apply for the 3-year LL. B programme, candidate must have passed their undergraduate degree in any discipline with an aggregate of 45% marks. For OBC and SC/ST candidates' relaxation in marks allowed as per norms. No age bar is there for joining 5 year and 3 year LLB courses.

Salient Features

- Spacious Lecture Halls
- Highly qualified and experienced faculty
- Ideally located
- Seminar Halls
- Legal Aid Clinic
- Computer Lab
- Well-Equipped Moot Court Hall
- Hostel facilities for Boys & Girls inside campus premises

Innovation with a Social Purpose

Our students' learning extends beyond the classroom to create real-world impact. As part of their academic projects, they developed a solar-powered wheelchair and a remotely controlled ICU bed. These projects were donated to Peace Valley, an organization providing free shelter, palliative care, and medical support to those in need. This initiative highlights our commitment to society and our students' passion for bringing positive change.
