**INSTITUTIONAL ETHICS COMMITTEE – MINUTES OF MEETING HELD ON
05.03.2025**

An Institutional ethics committee meeting was conducted on 5th of March 2025 to review the following research proposals. A total of 6 proposals were reviewed (Annexure 1) The proposals included four research projects shortlisted by the ICMR under the Short-Term Studentship Scheme for the year 2024, 1 study from the faculty of IGIDS and 1 study from the Indira Gandhi Institute of Pharmaceutical Sciences.

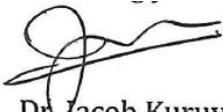

After consideration, the committee decided to approve all the 6 study proposals with a validity of 2 years.

The investigators are instructed to take re-approval after the end of term if necessary.

The investigators are requested to submit the progress report after 1 year to IEC for review.

Any change, modification or deviation in the protocol, or any adverse event must be informed to ethics committee.

Any protocol modification or amendment must receive IEC approval. Investigator should conduct the study as per the recommended **Good Clinical Practice guidelines**.
