Minutes of meeting

Dr. Sanu Tom Abraham, Principal, welcomed the gathering and briefed about the minutes of meeting.

1. Awarding CDE credit points to interns

The Principal informed that a credit point based system shall be implemented for interns for encouraging their participation in the regular monthly CDE's conducted by the Academic forum and other academic programs. It was decided to award 2 credit points each for one program attended. A total of 20 credit points shall be made mandatory for interns for successful completion of their internship.

e-certificates shall be provided by the academic forum to all participants. The HoD's must ensure the attendance of interns without affecting the functioning of clinics.

2. Faculty development program

The Principal informed all HoD's to ensure complete participation of all faculty for the on-going faculty development program lecture series that commenced today and, scheduled on every Thursday. The reference material and power point slides shall be uploaded in the institution's MOODLE home page for access by all faculty.

3. Final BDS Part I Supplementary batch academic performance

It was brought to notice of the Principal that the academic performance of exam going students of final year BDS Part I (Supplementary batch) was not up to the mark following the analysis of first and second internal assessment marks. The Principal asked the concerned HoD's and batch in-charge to take necessary steps to inform the parents of students who have scored less than 50% aggregate marks considering both the internals. These parents will be requested to meet the concerned HoD's in the Parent-Teachers meeting scheduled on 25th and 26th of March 2024.

4. Institution Innovation Cell lecture series - Inaugural lecture

The Principal informed that the institutional innovation cell will be conducting a inaugural lecture by an invited speaker Dr. Baby Chakrapani on 21st of March 2024. The HoD's were instructed to ensure intern's participation and identify students with research aptitude from other batches and encourage their participation for the event.

5. Identification of advanced learners and providing support

Following a good performance of the first year BDS students in their University examinations, the Principal informed all the HoD's to take necessary steps in identifying advanced learners and provide necessary support and encouragement for academic and research activities.

6. Upcoming University examinations

With the Second year University examinations scheduled next month, the Principal informed all the faculty to ensure that the exams are strictly conducted as per University norms and the concerned faculty shall ensure no lapses and malpractices during the conduct of the exams.

7. Graduation ceremony

It is proposed to conduct the graduation ceremony of the current batch of interns in the month of May. The date shall be finalized based on the availability and convenience of the Chief Guest and the Guest of Honour.

The meeting concluded at 10.00am.
